Tension due to the 19 southasian men who raped a 14yr old black female

Im going to post this before anyone starts saying **** that didnt occur
If you live near this area of Britain you already know whats going on

several days ago a 14 yr old black female went into a Hair shop..
she was caught stealing so the men within the shop locked her in and raped her..

they called a group of their friends..and it was supposedly 19 southasian men that took part in this crime

the girl is in the hospital in intensive care due to accessive bleeding
she was locked in the shop for 3 days

i just wanted to post this before anyone of you ***** start making up stories..saying it was 19 black

men and crap..we know how racist u mofos are....

there has been a series of SERIOUS protest in this area

asian shops are CLOSED

'Assault' protest stops traffic

Dozens of people stopped traffic in Birmingham to protest after an alleged assault on a teenage girl in a shop.

Black community leaders said the girl had felt unable to approach the police because she was an illegal immigrant and was worried about being deported.

They said she was assaulted in a shop in Perry Barr during the weekend.

West Midlands Police said any approach to officers would be treated sensitively and in confidence.

Supt Tom Coughlan said: "It is important if any assault took place which has not yet been reported, police are informed at the earliest opportunity so a full investigation can take place."

Police would not comment on how many people were involved in the protest but a BBC correspondent at the scene said numbers reached 150.

ohh yeah...i honestly dont give a damn if people are pissed at the fact that i posted this

the girl's family doesnt want her to come forward because they are afraid of her being deported

the community is urging them to come forward so they can arrest these men
for all of you who say "I DONT GIVE A FUCK IS A N*GGER BITCH IS RAPED"
please remember...that this is exactly why this crap is happenening

A 14-year-old was raped, and your concern is racism?

She was caught stealing? That's a stereo type that sticks on blacks like their fried chicken. The guy could of just made her pay for it by calling the police...but the guy is stupid..and so is his friends.

u can tell people to stop *acting* racist...but that going to change their real thoughts and intentions

that why they are boycotting them stores..i guess because they are trying to send a bigger message
